LESSONS TAUGHT TO YOUR SWIMMING ABILITY!

There's something for everyone in the Granite Falls Swim Program, which includes multiple levels of instruction designed to help swimmers ages three to twelve years old develop and refine their skills. Granite Falls instructors teach a variety of strokes including freestyle, backstroke, elementary backstroke, breaststroke, butterfly, and diving techniques.

Register for a time slot and instructors will evaluate your swimmer and place them in a class with other participants of the same swimming level.

Granite Falls also offers instructor-led parent/toddler classes for children 6 to 36 months old that are not quite ready for our learn-to-swim program. This class serves as the first step toward developing well-rounded, confident swimmers by encouraging parents to explore and play in the water with their children.
