ARE YOUR KIDS SWIM READY FOR THE SUMMER?

There's something for everyone in the Granite Falls Swim Program, which includes six levels of instruction designed to help swimmers ages three years and up develop and refine their skills. Granite Falls instructors teach a variety of strokes including freestyle, backstroke, elementary backstroke, breaststroke, and butterfly. Personal safety issues and diving techniques are also introduced.

- ▶ 3 WEEK SESSIONS / 2 DAYS A WEEK
- ▶ 1 WEEK SESSIONS / 5 DAYS A WEEK
- ▶ 2 PARTICIPANTS MAX PER CLASS
- ▶ 30 MINUTE CLASSES

Granite Falls also offers parent/toddler classes for children 6 to 36 months old that are not quite ready for our Swim Program. We are looking to create well rounded swimmers by allowing parents to explore and play in the water with their children. Offered one day a week for 3 weeks. The cost for our Water Bugs & Little Tykes classes is \$30 for Members and \$40 for Non-members.
