GF4 Summer Camp

Counselor-In-Training program (CIT)

In the Counselor-in-Training program, teens aged 12-15 (and possibly 11 3/4) years old have the opportunity to gain camp related experience/on-the-job experience under the guidance of veteran Camp Counselors. CIT programs teach teen's leadership and how to work with children. CITs build self-confidence and learn how to make decisions — both independently and as a team — and how to manage responsibility for themselves and for others. But it's not all work. CITs get to enjoy the same activities they loved as campers, too. They will interact with campers, help with activities and serve as leaders in camp spirit and motivation. As the Camp Counselors' right-hand-person, they assist the Counselors in the day to day operations of the camp program. Most importantly, CIT's must serve as a role model for the campers. The CIT program will enable teens to give their time in a service oriented capacity while gaining resume worthy experience in our day camp setting.

Frequently Asked Questions about the GF4 Summer Camp Counselor-in-Training Program:

What are the work hours for CIT's? Counselors in Training (CIT) are expected to arrive at camp by 8:30 each day and stay until 4:30. Our half-day camp runs from 9am to 1pm. The full-day camp will have the same start time, but run until 4:00pm.

How many CIT's will there be per camp session? We typically have 3 first or second year CIT's per session/week. This will allow at least one Junior Counselor per huddle (green, red, and blue). Up to 3 CIT Mentors (3rd years and higher) are typically assigned to each huddle as well.

What is the cost for the opportunity to be in the GF4 Summer Camp Counselor-in-Training Program? The cost per session/week is \$105 for members and \$125 for non-members, to be paid after acceptance into the program.

Does completing registration guarantee a spot in the Counselor in Training program? No, all potential Counselor in Training participants will complete a CIT questionnaire (attached) and undergo an interview with the Youth Programs Director before being selected to participate in the program.

Will the CIT's be able to register for more than one week? Yes, but is not required.

Will the CIT's receive training prior to the start of camp? Yes, all participants and parents will train with the Youth Programs Director and Camp Counselors prior to the start of the GF4 Summer Camp program. Information regarding expectations of the CIT will be discussed at this meeting. They will also participate in a CPR Certification class if they are not already certified.

Who is the staff the CIT's will be working with? We will have some Counselors returning from last year, but may be hiring additional Counselors over the course of the spring as well as using Counselors from our track out camp program. Our staff will be carefully selected and specially trained in preparation for camp. All Camp Counselors are/will be First Aid/CPR certified and have had a background check prior to employment with GFSAC. We will also have the assistance of GFSAC lifeguards, swim instructors, and group fitness instructors during camp activities.

In conjunction with the Camp Counselors, how many kids will each CIT be assisting? Each full day session of camp will be limited to 30 total children and each half day sessions will be limited to 15 total children. The

Counselor to camper ratio will be approximately 1 to 7 so each huddle will have approximately 15 kids in it during a full camp session. Each huddle will have up to 2 Counselors and at least one CIT. The Head Counselor and Youth Programs Director will also be assisting the campers.

What will CIT's do at camp each day? The Counselors-in-Training will be involved in assisting the Counselors with the implementation of daily camper activities, including being the full lead on their own weekly themed activity, craft, or game each CIT will have come up with before their camp session(s). For the campers, each day of camp will include a brief morning meeting, swim time, swim lessons, breaks for snacks and water, fitness activities that tie in with the week's theme, lunch, and more.

What should CIT's pack? They will need to bring a backpack (labeled with their name) with a swimsuit, cover up, goggles (if needed), flip flops/pool shoes, towel, sunscreen and bug spray if desired, **two snacks, lunch and water** (unless purchasing food via the Camp Chow program).

Where will camp happen? Campers will use many areas of the Club inside and out as well as the Main Street Park facilities.

Is there an employee discount? Yes. Employees are eligible for their standard 10% discount. This cannot be combined with any other discounts.

Is there anything else I need to know? We are excited about Summer Camp at GFSAC and our fifth year of the GF4 Summer Camp Counselor-in-Training program! At the end of your child's last camp session the Youth Programs Director, along with the Head Counselor, will complete a CIT evaluation of your child. In addition, a reference letter will be provided for your child for future opportunities if he/she requests it.

Several of our CIT's have been able to return to camp as a volunteer during their year round school track out sessions during the fall, winter, and spring. We anticipate doing the same thing during the 2018-2019 school year.

We are dedicated to making this experience fun, educational, and safe for your children and are already hard at work to get everything ready for our summer kick off with our first camp session May 28th. The Youth Programs Director will email specifics about each week of summer camp, including what huddle your teen is assigned to and the schedule of activities for the week, to those registered the week before the session will begin. Feel free to contact me by email (brandon@granitefallsclub.com) or at 919-562-8895 if I can assist in answering any questions. Thanks!

Youth Programs Behavior Expectations and Discipline Policies:

It is important that our staff maintain good order and discipline in youth programs. In the programs we offer to children, we strive to create a positive atmosphere for learning and developing social skills. GFSAC staff will make every effort to help children understand clear definitions of acceptable and unacceptable behavior.

A child's behavior is expected to be consistent with the following:

1. Use appropriate language at all times.
2. Cooperate with staff and follow directions.
3. Respect other children and staff, equipment and facilities, and yourself.
4. Maintain a positive attitude.
5. Stay in program areas—running away is not acceptable.
6. Participate successfully within the GFSAC staff-child ratios specific for each program.

Discipline Policy

1. If a child is unable to comply with the behavior expectations, a conference will be held by the program director with the child. The parent(s)/guardian will be notified.
2. If after the above meeting the child is still unable to comply with the behavior expectations, the program director will set up a conference with the parent(s)/guardian. A behavior contract will be established and signed by the child (if appropriate), parent(s)/guardian and the program director.
3. If the child's behavior continues to be disruptive and/or unsafe, the child will be subject to suspension or dismissal.

4. Failure of the parent(s)/guardian to attend conference(s) and cooperate will subject the child to suspension or dismissal.

Behaviors which may result in immediate suspension or dismissal include, but are not limited to:

1. Any action that could threaten or pose a direct threat to the physical/emotional safety of the child, other children or staff. Prohibited conduct may include, but is not limited to, abusive jokes, insults, slurs, threats, name calling, bullying or intimidation.
2. Fighting
3. Possession of a weapon of any kind
4. Vandalism, destruction, or theft of GFSAC property or property of others
5. Sexual misconduct
6. Possession of or use of alcohol. Possession of or use of controlled substances unless under the prescription of a doctor
7. Running away
8. Biting

Parents or guardians are required to inform GFSAC in writing, prior to a child's acceptance in a GFSAC program, of any special circumstances which may affect the child's ability to participate fully and within the guidelines of acceptable behavior, including but not limited to any serious behavioral problems or special circumstances regarding psychological, medical or physical conditions.

Upon being informed of such circumstances, the Youth Programs Director may require a conference with the parent(s)/guardian to discuss issues created by these circumstances.

I have read, understand and agree with the policies as stated in this document and have discussed the expectations of behavior with my child. I understand that GFSAC has the authority to revoke my child's right to participate in GFSAC programs for behavior which is not in keeping with the expectations of appropriate behavior for youth program participants or for failing to follow the Rules and Regulations of GFSAC. My enrollment of my child indicates that I agree to adhere to all Policies, Procedures, Rules and Regulations of GFSAC.

Enrollment of my child(ren) in the junior camp counselor program constitutes acceptance of all the above policies.
