Youth Programs Behavior Expectations and Discipline Policies

It is important that our staff maintain good order and discipline in youth programs. In the programs we offer to children, we strive to create a positive atmosphere for learning and developing social skills. GFSAC staff will make every effort to help children understand clear definitions of acceptable and unacceptable behavior.

A child's behavior is expected to be consistent with the following:

1. Use appropriate language at all times.
2. Cooperate with staff and follow directions.
3. Respect other children and staff, equipment and facilities, and yourself.
4. Maintain a positive attitude.
5. Stay in program areas—running away is not acceptable.
6. Participate successfully within the GFSAC staff-child ratios specific for each program.

Discipline Policy

1. If a child is unable to comply with the behavior expectations, a conference will be held by the program director with the child. The parent(s)/guardian will be notified.
2. If after the above meeting the child is still unable to comply with the behavior expectations, the program director will set up a conference with the parent(s)/guardian. A behavior contract will be established and signed by the child (if appropriate), parent(s)/guardian and the program director.
3. If the child's behavior continues to be disruptive and/or unsafe, the child will be subject to suspension or dismissal.
4. Failure of the parent(s)/guardian to attend conference(s) and cooperate will subject the child to suspension or dismissal from camp.

Behaviors that could result in immediate suspension or dismissal include but not limited to:

1. Any action that could threaten or pose a direct threat to the physical/emotional safety of the child, other children or staff. Prohibited conduct may include, but is not limited to, abusive jokes, insults, slurs, threats, name calling, bullying or intimidation.

2. Fighting

3. Possession of a weapon of any kind

4. Vandalism, destruction, or theft of GFSAC property or property of others

5. Sexual misconduct

6. Possession of or use of alcohol. Possession of or use of controlled substances unless under the prescription of a doctor

7. Running away

8. Biting

Parents or guardians are required to inform GFSAC in writing, prior to a child's acceptance in a GFSAC program, of any special circumstances which may affect the child's ability to participate fully and within the guidelines of acceptable behavior, including but not limited to any serious behavioral problems or special circumstances regarding psychological, medical or physical conditions.

Upon being informed of such circumstances, the Youth Programs Director may require a conference with the parent(s)/guardian to discuss issues created by these circumstances.

Track-out FAQ's

What time will track out camp start? When will it end? Track out camp will start at 8:15 and end at 4:00. All parents/guardians will need to check their kids in at the Front Desk then take them to the KidZone. All kids need to arrive no later than 9:00 (please notify the club if your child will be arriving after 9 AM). They need to be picked up from the carpool line between 4:00 and 4:15 unless choosing the aftercare option. A camp issued carpool tag or driver's license is required at pick up.

What is before care? Parents who need an earlier drop-off time may choose our before-care option. This would allow them to drop-off their kids in the KidZone anytime between 7:30am-8:15am. Members who participate in the draft may select this option at no additional charge, if you do not have the KidZone monthly draft or a KidZone package for the month you will be charged for a prorated package. Non-members may select this option for \$12.50 additional per session.

What is after care? Parents who need a later pick-up time may choose our extended day option. This would allow them to pick-up their kids from the KidZone any time between 4:15 and 6:00pm. Members who participate in the draft may select this option at no additional charge, if you do not have the KidZone monthly draft or a KidZone package for the month you will be charged for a prorated package. Non-members may select this option for \$12.50 additional per session. A camp issued carpool tag, driver's license, or GFSAC membership card is required at pick up. Please pull to the end of the sidewalk for carpool pick up and let the front desk know you are picking up your camper(s) as you walk in.

Who are the counselors? Some of our current Youth Programs staff will be the counselors for the track out. All Youth Programs staff are First Aid/CPR certified and have had a background check prior to employment with GFSAC. We will also have the assistance of GFSAC swim instructors and group fitness instructors during camp activities.

Is there a limit to how many campers can sign-up? Due to space limitations each session will be limited to no more than 30 total children. Since the ages of the campers will be approximately 5 - 11, the counselor to camper ratio will be approximately 1 to 10.
